How to Navigate Early Owego & Frequently Asked Questions

Shopping Baskets

Baskets are located at the front door and at the tops of the stairs for your use!

Holding Items at the Front Counter

We will gladly hold items you are interested in purchasing behind the counter, so you don't have to carry the item(s) around with you while continuing your treasure hunting!

Display Cases

See an item you want to view closer in one of our independent or booth glass showcases? Locate the Key # listed on the showcase. Then alert a store clerk with the key #, and they will open the case for you to take a closer look at the item. If you are upstairs, please call the cashier desk at 607/223-4723.

Reference Points

Early Owego has numbered all booths and showcases. Please use these as reference points when asking questions of staff.

Unsure of an Item?

Take a photo of the item and the item's tag with your camera. Take a photo of the booth number or booth name. Bring that information to the cashier counter and a store clerk can help.

Is there an Elevator to the 2nd Floor?

Unfortunately no. Our staircase to the second floor, though, is nice and wide with handrails on both sides.

Do You Accept Major Credit Cards or Personal Checks?

Yes, to both! Personal checks require a driver's license for ID.

Do you have a Public Restroom?

Yes, it's on the first floor and is wheelchair accessible too. Please pick up the key at the front counter.

Is Early Owego Pet Friendly?

Yes, we are as long as your pet is on a leash for the safety of customers and staff. Please understand though, we have many fragile items throughout the store.

What about places to shop and dine in Owego?

The Village of Owego is known for its charming shops and great places to eat. Most are in walking distance from the store. Check out the Store's Website for details or ask our Friendly Staff for ideas. We Love Owego!

Is Early Owego a Co-Op or Flea Market?

No. We are a multi-dealer antique store. All purchases go through one cash register. Outside vendors rent booths and curate and provide merchandise to sell to all of our wonderful customers!

Are you Thirsty while Shopping?

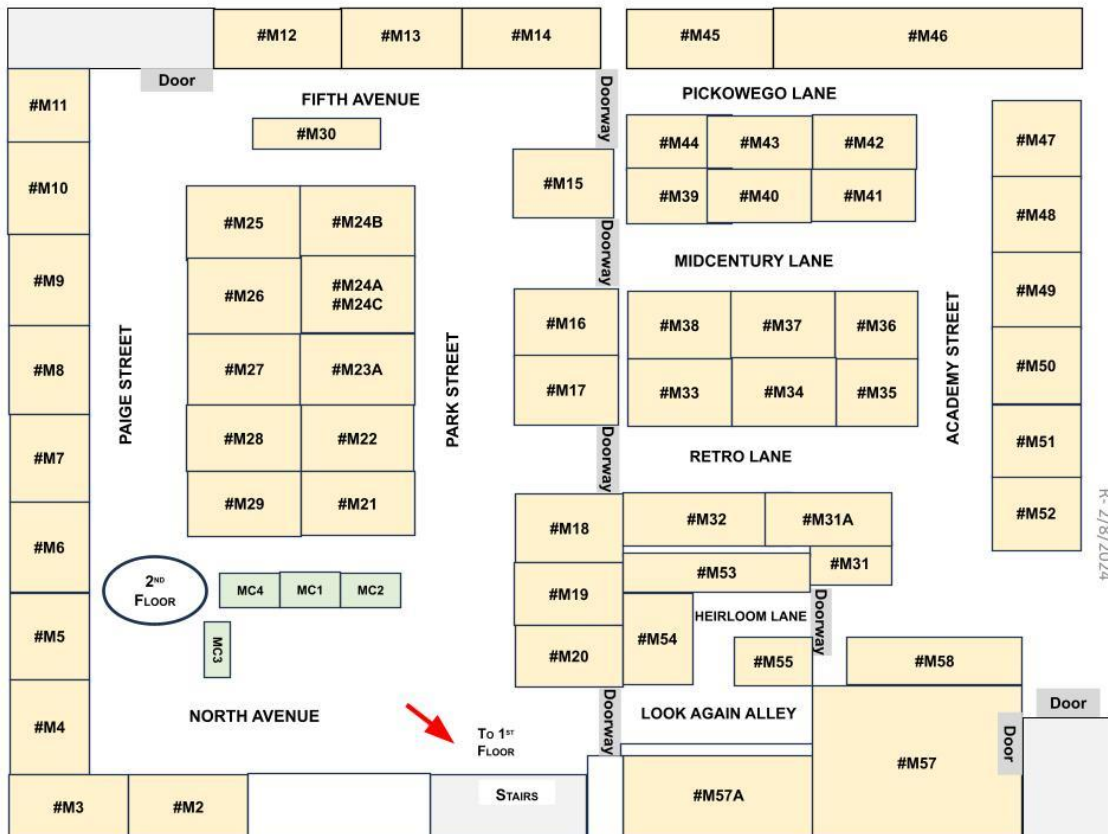

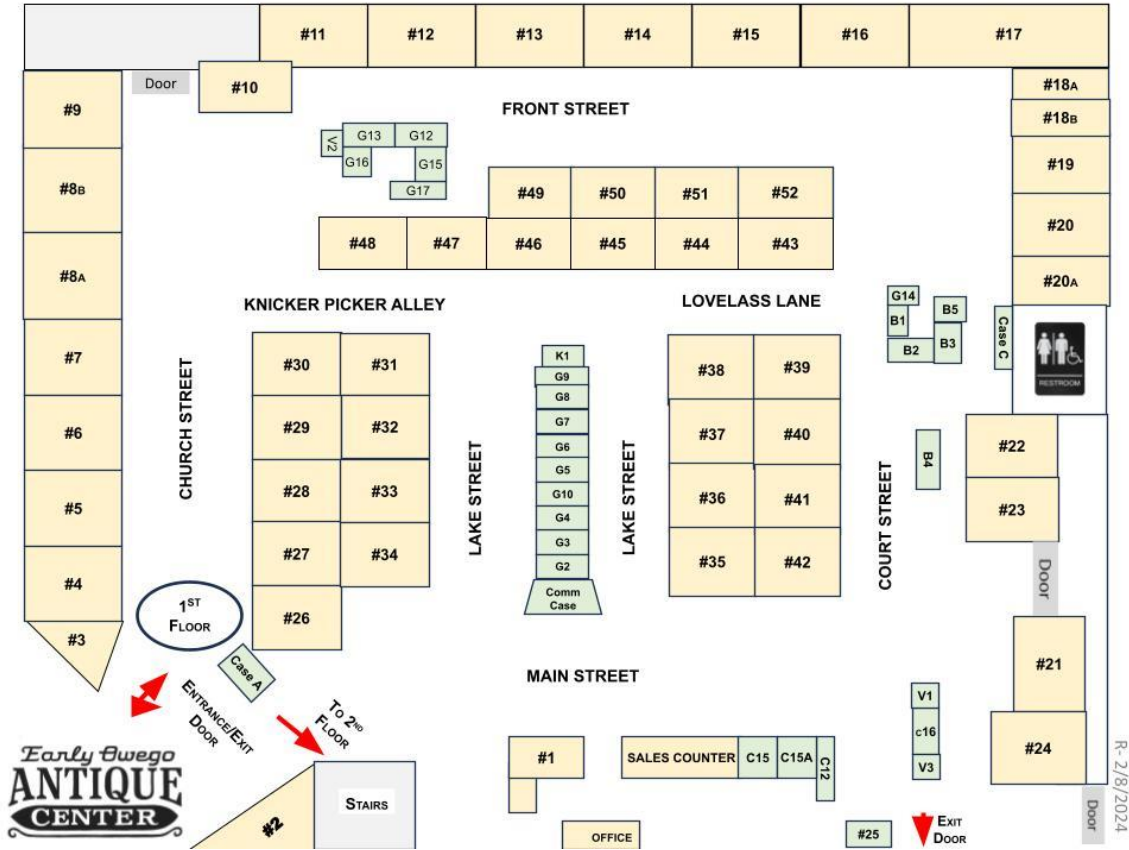

Bottled water is for sale at the Cashier's Desk.
